

Paris MoU Annual Report 2019

The Paris MoU released the Annual Report 2019 indicating the RO Performance lists for the period 2017-2019.

[Notice to: Ship Owners/ Managers/ Operators | Flag Administrations | Surveyors/Auditors](#)

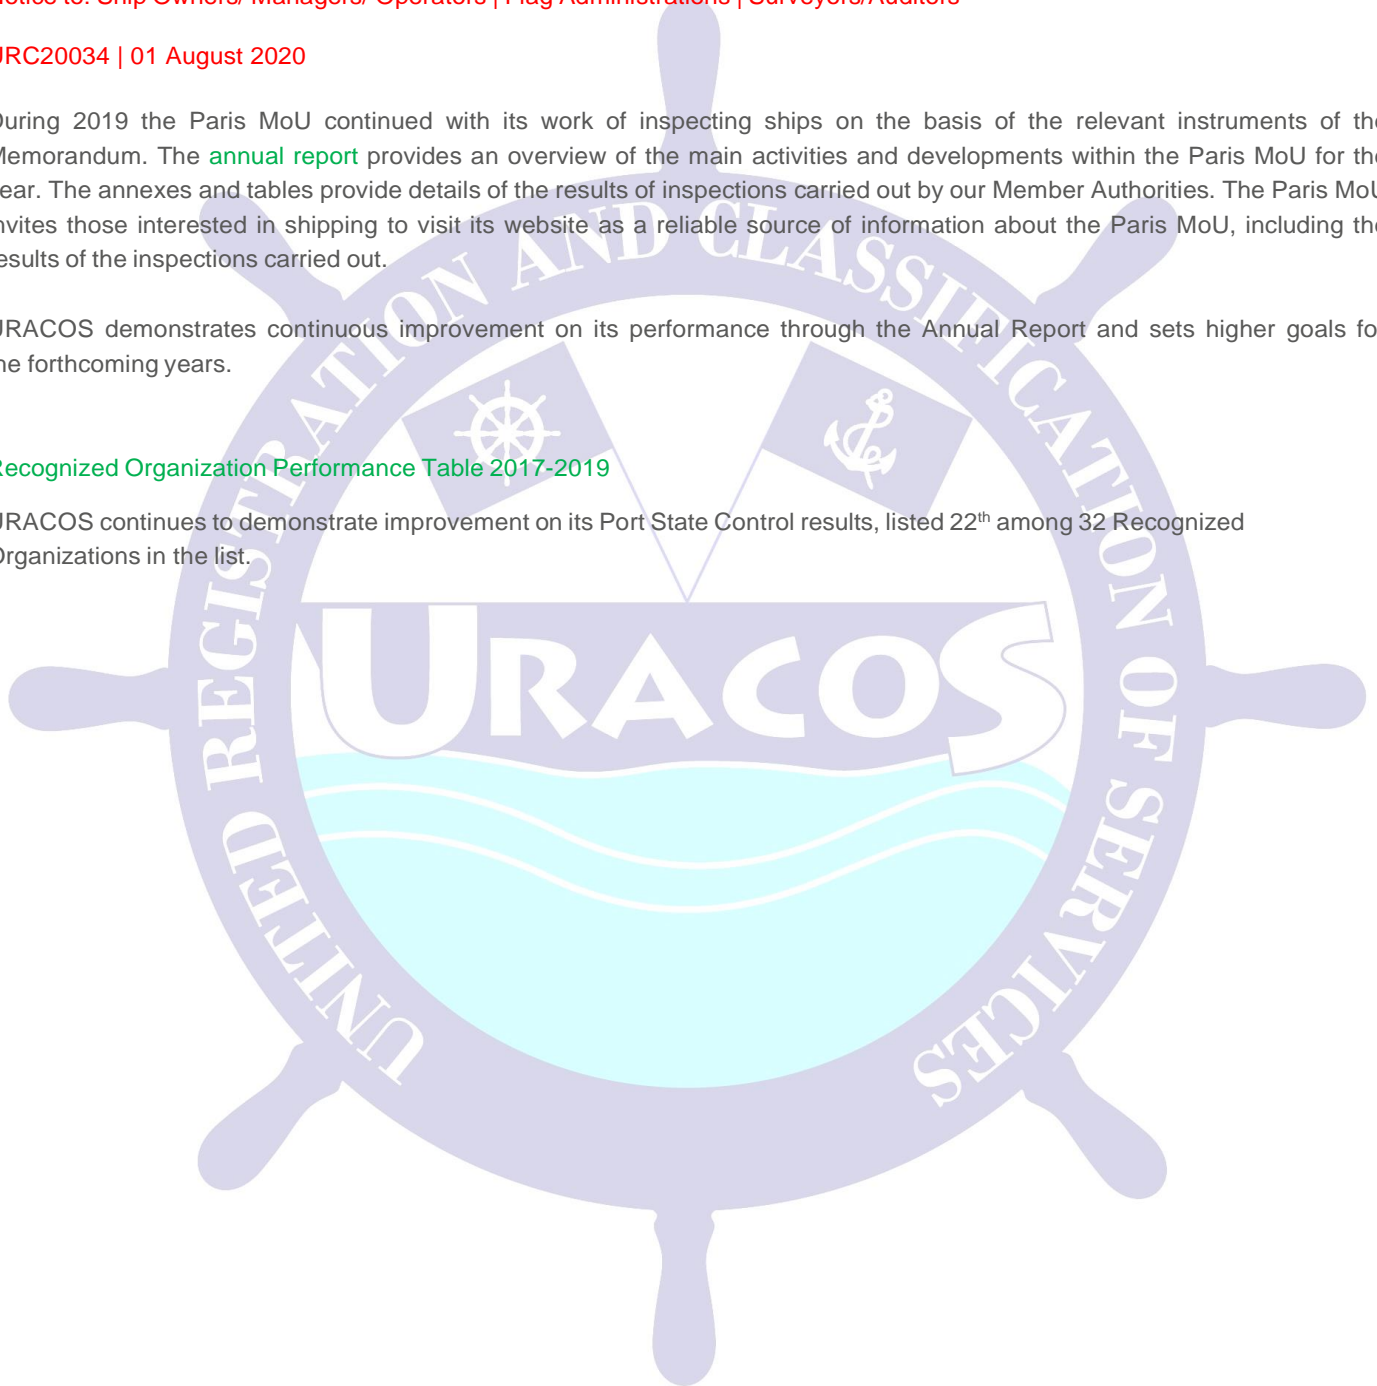

[URC20034 | 01 August 2020](#)

During 2019 the Paris MoU continued with its work of inspecting ships on the basis of the relevant instruments of the Memorandum. The [annual report](#) provides an overview of the main activities and developments within the Paris MoU for the year. The annexes and tables provide details of the results of inspections carried out by our Member Authorities. The Paris MoU invites those interested in shipping to visit its website as a reliable source of information about the Paris MoU, including the results of the inspections carried out.

URACOS demonstrates continuous improvement on its performance through the Annual Report and sets higher goals for the forthcoming years.

Act now

With an aim to maintain this position and achieve a greater performance, DBS would like to remind Ship Owners/ Managers/ Operators on our Outstanding Recommendation Policy given through [C18031](#).

In addition, Shipowners have been informed on the URACOS [PSC Preventive Inspection Scheme](#) introduced by our Port and Flag State Inspection Department. Ship Owners/ Managers/ Operators should be reminded that URACOS is able to assist in reducing deficiencies on board their fleet and register their vessels under our scheme. By registering to our PSC Preventive Inspection Scheme, you are preventing possible deficiencies that may also lead to a detention.
